

Real Estate

Shin & Kim's Real Estate practice provides comprehensive legal services on a wide range of real estate transactions, including real estate investments and development, real estate funds, real estate investment trusts (REIT), social overhead capital (SOC), project finance vehicles (PFV), real estate finance and trusts. Our Real Estate team has represented global clients in many large and complex transactions around the world and has guided clients in making successful real estate investments in properties located in Korea, the United States, Canada, Japan and Southeast Asia. Over 60 professionals in the Real Estate team are working closely to provide focused, tailored and efficient services and solutions for the team's clients.

Key Services

Shin & Kim provides legal services in connection with the following in relation to real estate:

- Acquisition and sale of real estate
- Real estate funds (REF) under the Financial Investment Services and Capital Markets Act of Korea
- Real Estate Investment Trusts (REIT) under the Real Estate Investment Company Act of Korea
- Project finance vehicles (PFV) under the Corporate Tax Act of Korea
- Outbound real estate investments structuring, foreign exchange transactions reporting and global legal services through network of international law firms
- All stages of real estate development, from the initial public auction to the selection of preferred bidders, the establishment of special purpose entities, the negotiations, execution and implementation of definitive agreements (such as shareholders agreements, land purchase and sale agreements and construction contracts)
- Real estate development project financing for land trust businesses
