SHIN & KIM

Abuse of Market Dominance

Shin & Kim's antitrust and competition team provides highly specialized, packaged service covering all phases of abuse of market dominance cases from investigations to litigation. We provide tailored, practical advice and solutions based on sophisticated analysis drawing on the extensive breadth of expertise and experience of our team. Our antitrust and competition team is considered, both at home and abroad, to be one of the best teams for advising on abuse of market dominance cases, and has advised on many of Korea's most prominent cases, including the investigation of Qualcomm, one of the largest abuse of market dominance cases in Korea. As a testament to our team's expertise and reputation, our antitrust and competition team was also sought to publish commentary on abuse of market dominance in the Monopoly Regulation and Fair Trade Act of Korea.
