Sang Woo Park is an associate at Shin & Kim whose practice focuses on intellectual property, trade secret infringement, and construction and real estate disputes.

Mr. Park has represented various companies in the construction and real estate industry in litigation and disputes, including construction disputes involving construction payment and delay compensation, commercial leases, and delivery enforcement. He is currently practicing intellectual property and trade secret infringement, utilizing his professional expertise and experience as a qualified engineer in these fields.

Mr. Park graduated from Seoul National University, College of Engineering, Department of Mechanical and Aerospace Engineering, received his J.D. from Sungkyunkwan University Law School, and passed the 11th Bar Examination. Prior to joining Shin & Kim, Mr. Park worked as an engineer at Korea Gas Corporation for five years and holds two engineering licenses.
