Mr. Minhyoung Kim is a partner in the Criminal Defense Group at Shin & Kim and his main practice area is criminal defense. In particular, he provides clients with excellent advice on prosecution investigation, trial preparation and corporate compliance, based on his abundant direct investigation experience in a variety of cases of corporate management, antitrust and competition, finance and securities, embezzlement and breach of duty.

Mr. Kim acquired extensive expertise in tax, antitrust and competition, special investigation, and finance and securities, working for major direct investigation departments, over the past 20 years. Based on such expertise, he supports clients with accurate information and appropriate assistance in response to investigation and trial.

Mr. Kim swiftly provides clients with legal assistance to minimize legal risks in large-scale offshore tax evasion, improper support by conglomerates in violation of the MRFTA, large-scale fraudulent unfair trade, and finance and securities cases (e.g., stock price manipulation).
