Ms. Hyun Joo Shim is a patent attorney in the Intellectual Property Practice Group at Shin & Kim. Her primary areas of practice include patent applications, trials, and litigation related to chemistry, materials, rechargeable batteries, displays, semiconductors, and biotechnology, as well as related intellectual property advisory services.

She has also obtained the Korea Certified Valuation Analyst (KCVA) qualification (2020, Korea Valuation Association) and the Valuation Analyst qualification (2022, Korea Valuation Association). Based on her expertise in technology valuation and analysis, she has advised technology-driven companies on technology commercialization, technology-based special listings, and the establishment of corporate intellectual property strategies to enhance the value and utilization of their technologies.
