Mr. Woo-Soon Jang is a Senior Advisor at Shin & Kim, and provides advisory services on drug reimbursement pricing in the pharmaceutical and bio industries and compliance.

Mr. Jang has performed major policy-related duties for relevant industries at the Korea Pharmaceutical and Bio-Pharma Manufacturers Association, including those related to drug reimbursement pricing, compliance, external cooperation, global business affairs, AI-driven drug development and the fostering of talented manpower, conducting policy coordination between the industry and the government.

In particular, Mr. Jang has performed practical duties with respect to changes in the regulatory environment of the pharmaceutical industry, including overhauls of the drug reimbursement pricing system, responses to the introduction of the dual punishment system and two-out system, and the operation of the administrative surcharge system for rebates. He has also performed duties relating to the amendment of the Fair Competition Code, overhaul of corporate codes of ethics and by-laws, introduction of the compliance management system, etc. for the establishment of compliance systems for pharmaceutical companies

Based on such substantial experience as above, Mr. Jang currently provides his clients with advisory services on regulatory responses and the establishment of policies and strategies for the pharmaceutical/bio industries.

工作经历

2026-Present	Shin & Kim LLC
2024-2025	President, Pharmaceutical Bio Academy, Korea Pharmaceutical and Bio-Pharma Manufacturers Association(KPBMA); Head, Task Force for Promotion of Project for Commemoration of 80th Anniversary of Incorporation
